Water Skiing—

by Catherine Ohl

It's hard to believe that the water ski season is almost here. The process of getting this newsletter out has been delayed since I have been busy traveling and procrastinating.

We've done a detailed analysis of our costs from the last two years and have decided to raise our prices a bit. As most of you know everything including food has increased.

- Skier fee will be \$130 based on a gas cost of \$3.75 a gallon [or about \$4 in Needles]. If the price of gas exceeds this threshold, we may have to access a gas surcharge.
- Non-skier fee will increase to \$65 due to food cost increases.
- The child fee of \$18 will be unchanged. We love your kids and welcome their energy and their free spirits.
- Individual membership will remain at \$20. A family membership will remain at \$40.

Like us on facebook. Just search for **Radar River Rats**.

With all the snow we've had this winter in Colorado, it should be a great summer for water skiing & wake boarding. Let pray that the powers to be manage the snow melt run-off (snow is still falling) and don't flood the river. ■

Boat Driver UPDATE

Welcome to Summer—

by Gene Fulkerson

Hope you have all had an excellent winter snow skiing or boarding. Since I am still retired, I continue to ski when and where and managed 50+ days in Utah, Idaho, Canada, Montana, Wyoming and Colorado. Life is good.

I would like to welcome back our very excellent boat drivers— **Catherine Ohl, Paul Jackson, Mark Mathis,** and **Craig Henderson**.

I am excited to start water skiing again as our boat drivers ready their boats for another fantastic summer at the river. Mark and Paul may be going out to the river in June to check out their boats. In May, we towed Catherine's boat home for an another overhaul as we still have a smoking issue. Looks like a valve issue. Should be good as new.

For sure, Mark, Paul and Catherine will be out on the first trip of the season. You won't want to miss this trip.

I am hard at work embellishing the river menus and adding some new twists. Come out to the river for a taste. Looking forward to skiing with you all again in 2011.

Wine Maker Dinner—

The date for the Wine Maker Dinner will be October 1, 2011. The name of the Heuga Center was changed to "Can Do for MS" so we are supporting the same charity. ■

Coast Guard Considers Mandating Adult Life jacket Wear—

Reported in **boatUS Reports** by
Ryck Lydecker.

An advisory panel to the U.S. Coast Guard gave its go-ahead to pursue federal regulations that would require adults to wear life jackets on certain boats.

The National Boating Safety Advisory Council asked the Coast Guard to consider mandating that anyone aboard a boat less than 18-feet long be required to wear a life jacket when underway. In addition it asks that all those being towed in water sports, riding personal watercraft, or in human-powered boats of any length be required to wear life jackets as well.

The 16-5 decision mirrors a trend among state boating agencies to

increase the number of people actually wearing Coast Guard-approved life jackets with the aim of reducing boating fatalities.

Unlike the Council recommendation, which would apply to all ages, most state laws apply just to children and specify varying age cutoffs, typically 12 and under.

The U.S. Forest Service estimates that 82 million people participated in boating in 2010 and Coast Guard statistics show 736 people died in boating accidents that year.

According to a Coast Guard mathematical model, if a 70 percent wear rate was achieved, mandating boaters nationwide to wear life jackets in boats less than 18-feet could save 71 lives each year. ■

We're Still Skiing in the West—

It's official, this year is one for the record books.

Utah resorts have chalked up a near-record number of approximately 4.2 million skier day visits during the 2010-11 winter season. The number represents four-percent growth over the prior year, making this winter the second best in Utah. **Snowbird** is expected to remain open until July 4.

Near-record snowfall totals this winter, along with two feet of new snow over the past two weeks, has sparked California's **Sugar Bowl** to reopen for the July 4 holiday for 2010-11 and 2011-12 season passholders. Skiing will be available on the Disney lift only.

Else where in California, **Kirkwood** and **Alpine Meadows** will both be open for the Independence holiday, while nearby **Boreal** expects to be open to July 11-12. **Mammoth Mountain** is running their lifts with a projected a closing date of July 4.

In Colorado, **Arapahoe Basin** has extended it's closing date until mid-June, with rumors swirling that the ski area might go for a July 4 closing should conditions permit.

In Washington, **Crystal Mountain** is expect to operate on weekends into June and perhaps July. The ski area has a good shot at a July closing, with new snow last week pushing the ski area's snowfall total to 600 inches on the season, a new record.

In Oregon, **Timberline**, is keeping the season alive, although it must be admitted that this resort is no stranger to extended seasons, as summer operations on **Mt. Hood's Palmer Glacier** are part and parcel of the Timberline experience. This year Mt. Hood's summer season kicked off

on May 31, with lifts operating daily from 8 AM to 2 PM.

Also kicking off the summer season is **Blackcomb**, which commenced summer operations on the Blackcomb glacier on May 30.

Powderhorn to be sold at Auction—

Western Colorado's **Powderhorn** Ski Resort will be offered for sale at auction on August 4. The resort, which consists of 44 trails and four lifts on 1,600 acres, is located on the Grand Mesas outside of Grand Junction.

There will be no reserves or minimums for the auction, and the highest bidder will own the resort and associated real estate upon completion of the auction. The ski area is for sale due to the retirement of owner **Steve Bailey**, who acts as CEO and president of the resort.

Bud Klien dies at 83—

Bud Klien, founder of Kirkwood resort, has died at the age of 83 after a battle with cancer. Klien, a number one draft pick for the Red Sox upon his graduation from Stanford in 1950, choose to return to California and help run his family's agricultural business rather than play ball. He switched to the snow industry in the early 1970s when he led a group of investors to develop Kirkwood. He owned the Robert Strong winery in Sonoma and was the inventor of the "California wine cooler." ■

Spring is here...Water, Sun and Fun

While childhood memories are often filled with carefree days, emergency room doctors know it as "trauma season." Tragedies peak during the warmer months because children are supervised less, have more free time and engage in more outdoor activities.

Water Safety Tips for Kids—

- If you do not know how to swim, always wear a life jacket.
If you fall, get pushed in or accidentally get near deep water, a life jacket can keep you floating on the surface until you can get help. Even strong swimmers should wear a vest in deep or rough water.
- Swim with a buddy.
You've probably heard this many times, but it's worth saying again. If you get into trouble, your friend can get help fast.
- Always go feet first into unfamiliar water.
There could be rocks or tree stumps in rivers and lakes. Even pools can be more shallow than they look. So always check out the depth of water before you dive in.
- If you see someone in trouble, signal the lifeguard or responsible adult.
Don't try to rescue the person yourself—you could get pulled under the water. Wave your hands over your head to signal the lifeguard or another adult.
- Don't EVER pretend you are drowning.
It wastes lifeguard's time and may take their attention away from someone who really needs help.
- It's a good idea to stay near people who know you and will notice if you are in trouble.
If you are with a group of people, have a check-in time and place to meet. Be sure

you show up on time so you won't give the adults gray hairs.

- Don't let your friends tease you into something you don't want to do.
Even if all your friends are jumping in, don't do it if you are afraid or feel like you can't handle it. Knowing your limitations is nothing to be embarrassed about.
- Make sure you always follow the adult in charge's instructions!
- Wear sunscreen! ■

Online Safety for Kids—

Kids, here's are some Safety Tips for you when you go online.

- Don't ever give out information about yourself like your last name, your phone number, where you live, or where you go to school.
- Never e-mail a picture of yourself to strangers.
- If somebody emails something to you that makes you uncomfortable, don't look around or explore. Tell your parents.
- Making plans to meet your internet buddies in real life is a really bad idea. People in real life can be very different from how they are online.
- Don't open up e-mails, files, or web pages that you get from people you don't know or trust.
- Don't ever give out your password, except to responsible adults in your family.
- Always follow your family's rules for the using the internet.
- Don't ever do anything that costs money. ■

THE RADAR RIVER RATS PROGRAM

Welcome to the HEASB "Radar River Rats" Water Ski Program. We hope that the following will answer many of the questions you may have concerning our river weekend trips to the Colorado River.

WATER SKI WEEKENDS

The intent of a Rats water ski weekend is to SKI, have lots of FUN and RELAX in the SUN (or shade) with like-minded water skiers.

We provide the boats, water skis, wake boards, vests, sunshades, instruction for beginners to experts, sandy beaches for camping and sunning, five meals, and all the beer and soda you can drink at the river. All this is yours for only \$130 plus carpool expenses.

Non-skiers & children are welcome to join in the fun for \$65 & \$18, respectively, plus carpool expenses. The non-skier and child fees cover meals, drinks, and camping. Non-skiers and non-skiing children will not be able to ride in a Club boat during Club hours.

Club boats are scheduled to operate Saturday, from 8 AM to 5 PM, and on Sunday, from 7 AM to 11 AM. There will be a one hour break for lunch on Saturday and garbage omelettes will be served for bunch on Sunday.

Boat drivers may operate extended hours, but it is at their discretion.

SIGNING UP

You must be a member of the HEASB Water Ski Club aka Radar River Rats to sign up for a water ski trip. To join the club, fill out the membership application found in this package and send to the location indicated on the form. To sign up for a trip, you will need to fill out the reservation form included in your new member package or on the web site.

We take up to eight skiers per boat. After we fill a boat, we designate a driver for the Club. You should be notified by the Monday evening before the trip about your status and carpool arrangements. Be sure to sign up early so we can guarantee a boat driver. Your check will not be cashed until two weeks before the trip date, and only if you are confirmed on the trip. Any check written for over \$130 will be cashed upon receipt.

CAMPING

Our weekend trips are scheduled at Park Moabi, 11 miles south of Needles, CA. Our campsite is along a sandy stretch of beach on the Colorado River and is somewhat secluded from other campers. You can sleep on the beach, in the bushes, in your tent or in your vehicle (or in a hotel in Needles).

Running water and flushing toilets are at our campsite, while hot showers and a small market are available in the main campground about a mile away. The River water temperature is usually in the low to mid 70s. Air temperatures can reach as high as 120°F in the summer and drop as low as 45°F at night in the early spring and late fall. Sunshades (at times with misters) are provided by the Club. Many bring personal umbrellas & float toys.

HOOK-UPS

There are only four hook-ups available on our

see page 8

point. The location of each hook-up varies depending on which campsite we have for the weekend. You must tell us when you sign up if you would like a hook-up. You will be notified of hook assignments by the Trip Coordinator. Boat drivers and board members have priority followed by those who sign up first.

It will cost you an additional \$15 per day which you will pay when you check in at Park Moabi. We recommend that you bring a long extension cord with you (just in case).

CAMPGROUND FEES

Park Moabi now has some confusing and inconsistent procedures for making campground reservations which affects our reimbursement policy. When we make a reservation, we pay in full the fees for four vehicles for Friday & Saturday nights.

The first four vehicles to arrive on Friday night will not have to pay anything unless hook ups are required. We are hoping to be able to designate who gets the credits. But until then, if you are not an approved carpool and you get our credit, you will have to pay the trip leader the \$50 for the credit you received for the camping fee.

EVERYONE HELPS

There is at least one trip leader on each of our weekend trips. We expect everyone to lend a hand when asked as it makes the trip fun for everyone. Breakfasts are do-it-yourself meals. Lunch and dinner are group projects.

For breakfast, you have a choice of cereal, bagels, donuts, muffins, burritos or eggs. Saturday lunch is cold cut sandwiches. Sunday brunch is garbage omelettes, pancakes or whatever is left over. The dinner menu varies from trip to trip; it will include bar-b-que chicken with bar-b-que steak, tri tip, pork loin, fresh ahi or something special cooked up by our chef. If you require special foods, we encourage you to bring what you need.

The Club owns a trailer that is fully stocked with skis, vests, a BBQ, beer, soda, paper goods, cooking utensils, sun shades, etc. The trailer will be out on our campsite early Saturday morning. First thing that gets done before skiing is the trailer gets unloaded and camp is set up. The reverse is done on Sunday.

Ski, Board & Boat Etiquette—

The club takes up to eight skiers per **club boat**. Non-skiers and non-skiing children will not be able to ride in a club boat during club hours.

At times we have boats on the beach that are not designated as a **club boat** for the weekend. If invited for a run feel free to take them up on their offer. Since they are not being reimbursed by the club for their expenses, it would be appropriate to offer them some gas money.

Club boats are required to be in operation from 8 am – 5 pm on Saturday and from 7 am to 11 am on Sunday. There will be a one hour break for lunch on Saturday. Brunch on Sunday will be around 11 AM. Boat drivers may operate extended hours, but it is at their discretion.

It is recommended that a **club boat** go out on a ski run with no more than four (4) skiers plus the driver. This requirement will help cycle the skis and skiers and reduce the amount of time a boat is out at one time.

A minimum of one skier and another skier/observer plus the driver are required for any given run.

All skiers shall have a chance to take one ski run before any skier goes out for a second run.

When filling their **club boat**, boat drivers should attempt to give priority to the skiers with the least number of runs for that day.

Each time a **club boat** goes out, each skier will be allowed **ONLY ONE** ski, wake board, trick ski, barefoot **OR** air-chair run. A driver may limit a skier's run to ten (10) minutes. This should allow a boat to return to the beach to pick up another load of skiers in approximately 1 hour, 15 minutes. **AGAIN NO DOUBLE RUNS.**

A **club boat** is not required to operate if conditions (wind, rain, lightening, etc.) make skiing unsafe.

It is required that you have fun and to help out when asked. ■
