I know of five boat drivers who are available to pull for the club this year. Anyone knowing of any other qualified boat driver wishing to join us, please call me at 858-467-9469. We need to build up our boat pool so as to prevent cancellations on larger trips. **Boat driver must be able to pull and instruct both wake boarders and skiers.**

The Boat Driver queue for 2008 stands as Catherine Ohl, Mark Mathis, Paul Jackson, Craig Henderson, Randy Walker.

There are ten river dates available (see attached form). Please let me know your 1st and 2nd preference trips. Also mark any weeks you know that you will NOT be available (vacations, work, previous commitments, etc.) to drive for the club. I will assign trips based on previous years participation. I am going to try and give everyone two weekends guaranteed and then use the queue to fill in as extra boats are needed on busier weekends. Once I get this paperwork back I will start with the first choices and then on to second choices.

Make sure you give me all your pertinent information (home & cell phone numbers, email, etc.) so I can reach everyone in case of duplication which there will probably be. I will notify everyone of the selected dates. Please return all paperwork to me by snail mail asap. If you do not respond, I will assign the selections I have in hand. Again, please help me out by responding promptly.

If changes do arise when you can not make a date that you are scheduled for, please call me as soon as you find out. We had a situation last year where we had to cancel some people off a trip because of a boat cancelling at the last minute.

I assume that everyone has a valid driver's license and updated Boat Insurance. I am asking everyone to sign the form and fill in information about insurance coverage. Before I had everyone send me a copy but this should suffice for the Club's purposes. Please remember to sign the form and pay your membership (if you have not already done so). The by-laws require that you be a member before I can assign you to drive for a trip.

As usual, please feel free to join us with family and friends on weekends you are not assigned to drive. The more the merrier, plus if you call me I could probably tell you what the menu might be. This is a secret so don't tell anyone! This is a courtesy for boat drivers only!

I am enclosing a copy of the Boat Driver Guidelines. You should review this again every year. Remember, Sunday operating hours will be from 7 AM - noon due to the earlier Park Moabi check out time. Also we have skis for beginners and intermediates. Anyone not having their own ski, board or vest, can use the club inventory. Please help the newbies find the ski that will work for them. This helps everyone and hopefully gives new people a good experience so they will come back with their friends and family.

Remember, our boat drivers are the catalyst and the future of the club. Without you, the club would not exist.

Please feel free to call me with any questions.

Sincerely,

Please return to Gene Fulkerson ASAP

I would like to be a boat driver for the HEASB Water Ski Club (AKA Radar River Rats) for the 2008 season. I am supplying the requested information as required for participation as a HEASB Water Ski Club (aka Radar River Rats) boat driver.
