SIGNING UP

You must be a member of the **HESEA Water Ski Club** aka Radar River Rats to sign up for a water ski trip. To join the club, fill out the membership application found in this package and send to the location indicated on the form. To sign up for a trip, you will need to fill out the reservation form included in your new member package or on the web site.

We take up to eight skiers per boat. After we fill a boat, we designate a driver for the Club. You should be notified by Monday evening before the trip about your status and carpool arrangements. Be sure to sign up early so we can guarantee a boat driver. Your check will not be cashed until two weeks before the trip date, and only if you are confirmed on the trip. Any check written for over \$165 will be cashed upon receipt.

We will be releasing our reserved campsites 2 weeks before our reservation. You really need to sign up early to be assured we have a spot for you on the trip. If you are staying at a motel, we should probably be able to accommodate you. *There may be a surcharge for a solo requesting a hook-up (up to \$75 per night).*

CAMPING

Our weekend trips are scheduled at Needles Marina, Needles, CA. Our campsites are along a stretch of beach on the Colorado River. We've reserved 2-4 campsites close together with full hook-ups. Our sites may vary from trip to trip. Tent camping is also available.

Running water, flush toilets, showers, laundry, a store and a pool are also included in our entrance fees. Needles Marina is located near the Bridge that crosses the river and the cheap gas in Arizona. In addition hotels are minutes away or you can check out the cabins available at the marina.

The River water temperature is usually in the low to mid 70s. Air temperatures can reach as high as 120°F in the summer and drop as low as 45°F at night in the early spring and late fall. Sunshades (at times with misters) are provided by the Club. We strongly recommend you bring personal umbrellas & float toys.

OUR CAMPGROUND

After almost 35 years at Park Moabi we have moved to Needles Marina. It's a great location with many advantages. There is a pool, laundry, showers and cabins on site for rent. We are close to town and closer to Laughlin.

The check out time is now 11 AM so this will take some adjusting. Check in is now 1 PM. There is the possibility of reserving some campsites starting Thursday night.

There is still a possibility to ski/board on Friday. There will be a \$10 per ride charge to be paid directly to the boat driver. In addition, you will need to pay the \$10.50 per person entrance fee if arriving before 1 PM on Friday. You will need to bring your own food and drinks for Friday.

Needles Marina is charging \$75 per campsite for 4 persons and \$10.50 per person for the extras, including children. You will be told whether to pick up a prepaid campsite tag or pay the fee that will be reimbursed to you. EVERYONE on the trip will have their entrance fee paid for Friday and Saturday nights regardless of the number of people in a vehicle. The only exception may be a single in a trailer/RV requiring their own campsite. Reimbursements will be made before departure on Sunday.

HOOK-UPS

Each campsite comes with full hook-ups for one RV or trailer. We've prepaid for up to four campsites that cover the entrance fees for 4 people each. If you are bringing a RV or trailer, it's important that you sign up early. Hook-ups will be assigned on a first signed up first served basis. Priority will be given to boat drivers and the trip leader. If we get sign-ups early enough we can try to add more campsites. There is no longer an additional charge per air conditioner for an RV, trailer or car.

EVERYONE HELPS

There is at least one trip leader on each of our weekend trips. We expect everyone to lend a hand when asked as it makes the trip fun for everyone. Breakfasts are do-it-yourself meals. Lunch and dinner are group projects. Since many of us now own RVs with air conditioning, most of the lunch and dinner preparations are done inside. Our chef will need help with BBQ prep. Everyone needs to help with clean up.

Breakfast will consist of cereal, bagels, donuts or muffins. Saturday lunch is typically pasta salad or chicken salad with chips, salsa and veggies. Cocktails and appetizers are served Saturday at 5 PM. Sunday brunch is garbage omelets, pancakes or whatever is left over. The dinner menu varies from trip to trip; it will include bar-b-que chicken with steak, tri tip, pork loin, fresh ahi or something special cooked up by our chef. If you require special foods, we encourage you to bring what you need.

The Club no longer owns a trailer that is fully stocked with skis, vests, a BBQ, beer, soda, paper goods, cooking utensils, sun shades, etc. We have cherry picked the best of the skis and boards and stored them. If you need to use Club equipment please let us know so we can retrieve it before your arrival. On Sunday, we will need help in breaking down camp and cleaning up.

Ski, Board & Boat Etiquette—

The club typically takes up to eight skiers per **club boat**. Non-skiers and non-skiing children will not be able to ride in a **club boat** during club hours.

At times we have boats on the beach that are not designated as a **club boat** for the weekend. If invited for a run feel free to take them up on their offer. Since they are not being reimbursed by the club for their expenses, it would be appropriate to offer them some gas money.

Club boats are required to be in operation from 8 am – 5 pm on Saturday and from 7 am to 10 am on Sunday. There will be a one hour break for lunch on Saturday. Brunch on Sunday will be around 10 AM. Boat drivers may operate extended hours, but it is at their discretion.

It is recommended that a **club boat** go out on a ski run with no more than four (4) skiers plus the driver. This requirement will help cycle the skis and skiers and reduce the amount of time a boat is out at one time.

A minimum of one skier and another skier/observer (at least 12 years old) plus the driver are required for any given run.

All skiers shall have a chance to take one ski run before any skier goes out for a second run.

When filling their **club boat**, boat drivers should attempt to give priority to the skiers with the least number of runs for that day.

Each time a **club boat** goes out, each skier will be allowed **ONLY ONE RUN**— ski, wake board, trick ski, barefoot OR air-chair. A driver may limit a skier's run to ten (10) minutes. This should allow a boat to return to the beach to pick up another load of skiers in approximately 1 hour, 15 minutes. **AGAIN NO DOUBLE RUNS.**

Children 12 and under must wear a coast guard approved life vest at all time while in a boat.

A **club boat** is not required to operate if conditions (wind, rain, lightening. etc.) make skiing unsafe.

It is required that you have fun and to help out when asked.

Dog Owner Responsibilities

We strongly recommend that dogs NOT be brought to the river under any circumstances. The heat of the desert and lack of shade makes for a miserable environment for any animal, including us humans.

However, if you must bring your dog to the river, the following must be adhered to:

1. Dogs must be kept on a leash at all times. There are no exceptions. Needles Marina has a leash law and dogs must be accompanied at all times. **There is a \$5 per day per dog charge to be paid directly to the marina** (subject to change).
2. Dogs will be kept far away from all food, drink coolers, food preparation areas, the boats and the beach area at all times.
3. Dogs are NOT allowed in any boat while pulling for the club at any time.
4. Dogs must be quiet. This doesn't just mean that the owner is to keep the dog quiet — the dog must be quiet so as not to be bothersome to our other guests.
5. Dog owners will clean up after their dog.
6. In the unfortunate event that the dog can't be kept quiet, the offending dog must be removed from the area.
7. Judgment that a dog is being offensive will be made by the trip leader and club officers in attendance.
8. There will be no refunds to dog owners who may have to leave due to an unco-operative dog.
