SOUNDING bored

We had another good year in 2020 and are headed back to Needles Marina for the summer again.

Pricing for 2021

We've done a detailed analysis of our costs since 2014, which was the last time we raised our trip prices. In that time period the cost of renting the campsites at Needles Marina has more than doubled. Factoring in the higher costs of Needles Marina alone, we decided to raise the non-skier portion of the trip by \$20.

- Skier fee will be \$165 based on a gas cost of \$5 a gallon in Needles. If the price of gas exceeds this threshold, we may have to add a gas surcharge.
- Non-skier fee will be \$95.
- The child fee of \$35 remains unchanged for 2021. Children 5 and under will still be free. We love your kids, their energy and spirit. Skiing children pay the adult price.
- Individual membership will remain at \$20. A family membership will be \$40.

Tripping with Pacific Rim

We will again attempt to team up with Pacific Rim Alliance to offer a spring trip to Big White, Canada. This is currently a work in progress. Big White is all ski-in-ski-out and offers the best, in our experience, late season skiing and boarding. You can pick the dates that suit your schedule best. Gene & I will be there the whole time... that is, if and when the Canadians open their borders to us Americans. ■

BOAT DRIVER update

Welcome to Summer

Hope you are ready for the river.

I would like to welcome back our very excellent boat drivers— **Catherine Ohl**, **Mark Mathis** and maybe even **Craig Henderson**. All are busy getting their boats ready for the summer.

Needles Marina has been good to us. We mostly have the corner units (#172 & #173) with all the trees reserved again for our trips. The lagoon and marina were dredged again this winter. Our new day camp area has worked out well for us. And getting in and out of the marina has been much easier.

I will continue to embellish the river menus, adding some new twists, while staying within our budget. Come out to the river for a taste. Looking forward to skiing with you all again in 2021.

Wine Maker Dinner

The date for the Wine Maker Dinner is Saturday, September 25, 2021. Catherine will be sending out announcements in June. Let me know if you'd like to attend by send your donation. Cost is \$100 for "Can Do MS". Mary is planning to join us this year. See page 3 for more information. ■

KIDS' korner

GOOD STUFF for the kids & grandkids

Fun & Safe in the Sun— Summer Safety Tips

You want the kids to be active and have fun, but there are potential hazards, so keep them safe to enjoy these days of freedom and outdoor activities.

Sun safety

The sun can quickly burn tender skin. Most children get 20-80 percent of lifetime exposure to the sun before they turn 18! Always make sure your kids are wearing sunscreen before they head outdoors, and reapply every two hours. Sweat and water will wash the protection away! Infants should be kept out of direct sunlight and wear sun-protective clothing. Teach toddlers and older kids to grab a hat with a brim for additional protection.

Hydration

Make sure kids drink plenty of water on hot summer days. Dizziness and nausea are just two of the signs of overheating, which can lead to heat exhaustion. Sugary drinks and carbonated beverages containing caffeine can actually accelerate dehydration.

Never leave an infant or child unattended in a car. This rule is more critical than ever in hot months when the temperature inside a vehicle can soar to above 100 degrees in a matter of minutes. That heat is deadly.

Bike safety

Kids have bike-related injuries every year, but these accidents can be avoided or minimized with some precautions. Your child should always wear a helmet when riding. This protective gear reduces the risk of head injury by as much as 85 percent.

Explain rules for safe play — riding only on the sidewalk or designated bike path, no riding near cars and no side-trips that put them in danger from traffic or natural hazards.

Water safety

Enroll kids in swim lessons taught by a certified instructor. Always have children wear proper-fitting life vests in a boat or near deep water. Take precautions if you have a home pool. Children need constant supervision around water.

Boundaries

Children relish the freedom of summer, but set some boundaries. Have them play within sight and sound of home, or by arrangement at a friend's where there will be adult supervision. Until they reach a certain age and maturity, kids should not go to the park or other places alone. Parents must always know exactly where their children are and whom they are with.

Untouchables

Kids are naturally curious so keep household, yard and garage dangers stored away. Weed killers and yard chemicals, radiator coolant and other solvents are poisonous to children and pets. Keep them out of sight and out of reach.

Fenced in

If possible, provide a safe play area for your children that's fenced in and in sight from the house. Ideally this space will have room for them to run and play, be cleared of items that are hazards (lawnmowers, sharp gardening implements, etc.) and have a shaded area so kids can get out of the hot sun.

Quick tip

Even a small wading pool can pose a danger to toddlers. Never allow small children in the water without an adult to supervise! Since water reflects sunlight, be sure the kids are protected with sunscreen and not exposed to direct sun for too long before it is reapplied. ■

THE HESEA WATER SKI PROGRAM

Welcome to the **HESEA Water Ski Club** Program AKA Radar River Rats. We hope that the following will answer many of the questions you may have concerning our river weekend trips to the Colorado River.

WATER SKI WEEKENDS

The intent of a Rats water ski weekend is to SKI, have lots of FUN and RELAX in the SUN (or shade) with like-minded water skiers.

We provide the boats, water skis, wake boards, vests, sunshades, instruction for beginners to experts, sandy beaches for camping and sunning, five meals on Saturday & Sunday, and all the beer and soda you can drink at the river. All this is yours for only \$165 plus carpool expenses.

Non-skiers & children are welcome to join in the fun for \$95 & \$35, respectively, plus carpool expenses. The non-skier and child fees cover meals, drinks, and camping. Non-skiers and non-skiing children will not be able to ride in a Club boat during Club hours.

Club boats are scheduled to operate Saturday, from 8 AM to 5 PM, and on Sunday, from 7 AM to 11 AM. There will be a one-hour break for lunch on Saturday. Garbage omelets will be served for brunch on Sunday. Boat drivers may operate extended hours, but it is at their discretion.

SIGNING UP

You must be a member of the **HESEA Water Ski Club** aka Radar River Rats to sign up for a water ski trip. To join the club, fill out the membership application found in this package and send to the location indicated on the form. To sign up for a trip, you will need to fill out the reservation form included in your new member package or on the web site.

We take up to eight skiers per boat. After we fill a boat, we designate a driver for the Club. You should be notified by Monday evening before the trip about your status and carpool arrangements. Be sure to sign up early so we can guarantee a boat driver. Your check will not be cashed until two weeks before the trip date, and only if you are confirmed on the trip. Any check written for over \$165 will be cashed upon receipt.

We will be releasing our reserved campsites 2 weeks before our reservation. You really need to sign up early to be assured we have a spot for you on the trip. If you are staying at a motel, we should probably be able to accommodate you. *There may be a surcharge for a solo requesting a hook-up (up to \$75 per night).*

CAMPING

Our weekend trips are scheduled at Needles Marina, Needles, CA. Our campsites are along a stretch of beach on the Colorado River. We've reserved 2-4 campsites close together with full hook-ups. Our sites may vary from trip to trip. Tent camping is also available.

Running water, flush toilets, showers, laundry, a store and a pool are also included in our entrance fees. Needles Marina is located near the Bridge that crosses the river and the cheap gas in Arizona. In addition hotels are minutes away or you can check out the cabins available at the marina.

The River water temperature is usually in the low to mid 70s. Air temperatures can reach as high as 120°F in the summer and drop as low as 45°F at night in the early spring and late fall. Sunshades (at times with misters) are provided by the Club. We strongly recommend you bring personal umbrellas & float toys.

OUR CAMPGROUND

After almost 35 years at Park Moabi we have moved to Needles Marina. It's a great location with many advantages. There is a pool, laundry, showers and cabins on site for rent. We are close to town and closer to Laughlin.

The check out time is now 11 AM so this will take some adjusting. Check in is now 1 PM. There is the possibility of reserving some campsites starting Thursday night.

There is still a possibility to ski/board on Friday. There will be a \$10 per ride charge to be paid directly to the boat driver. In addition, you will need to pay the \$10.50 per person entrance fee if arriving before 1 PM on Friday. You will need to bring your own food and drinks for Friday.

Needles Marina is charging \$75 per campsite for 4 persons and \$10.50 per person for the extras, including children. You will be told whether to pick up a prepaid campsite tag or pay the fee that will be reimbursed to you. EVERYONE on the trip will have their entrance fee paid for Friday and Saturday nights regardless of the number of people in a vehicle. The only exception may be a single in a trailer/RV requiring their own campsite. Reimbursements will be made before departure on Sunday.

HOOK-UPS

Each campsite comes with full hook-ups for one RV or trailer. We've prepaid for up to four campsites that cover the entrance fees for 4 people each. If you are bringing a RV or trailer, it's important that you sign up early. Hook-ups will be assigned on a first signed up first served basis. Priority will be given to boat drivers and the trip leader. If we get sign-ups early enough we can try to add more campsites. There is no longer an additional charge per air conditioner for an RV, trailer or car.

EVERYONE HELPS

There is at least one trip leader on each of our weekend trips. We expect everyone to lend a hand when asked as it makes the trip fun for everyone. Breakfasts are do-it-yourself meals. Lunch and dinner are group projects. Since many of us now own RVs with air conditioning, most of the lunch and dinner preparations are done inside. Our chef will need help with BBQ prep. Everyone needs to help with clean up.

Breakfast will consist of cereal, bagels, donuts or muffins. Saturday lunch is typically pasta salad or chicken salad with chips, salsa and veggies. Cocktails and appetizers are served Saturday at 5 PM. Sunday brunch is garbage omelets, pancakes or whatever is left over. The dinner menu varies from trip to trip; it will include bar-b-que chicken with steak, tri tip, pork loin, fresh ahi or something special cooked up by our chef. If you require special foods, we encourage you to bring what you need.

The Club no longer owns a trailer that is fully stocked with skis, vests, a BBQ, beer, soda, paper goods, cooking utensils, sun shades, etc. We have cherry picked the best of the skis and boards and stored them. If you need to use Club equipment please let us know so we can retrieve it before your arrival. On Sunday, we will need help in breaking down camp and cleaning up.

LIABILITY

The Hughes El Segundo Employee Association (HESEA) Water Ski Club, the Radar River Rats (RRR), Hughes Employees Association (HEA), and Raytheon Employee Association (REA), shall not be held liable to anyone for injury or loss incurred by him/her while traveling to, participating in, or traveling from an activity sponsored by the Club, including Club meetings, Club trips or while using any facilities controlled by the Club. The **HESEA Water Ski Club** is a non-profit organization.

Everyone MUST Sign A Liability Release Waiver.

MAP OF NEEDLES MARINA

This is a Map of Needles Marina, located in Needles, CA along the Colorado River, where the Rats will camp and play nine weekends throughout the summer. We don't get the same campsites every weekend. so the Campsite Tracker on the right should help you find where we are located on any given weekend. The bottom map shows you where in Needles we will be.

Ski, Board & Boat Etiquette—

The club typically takes up to eight skiers per **club boat**. Non-skiers and non-skiing children will not be able to ride in a **club boat** during club hours.

At times we have boats on the beach that are not designated as a **club boat** for the weekend. If invited for a run feel free to take them up on their offer. Since they are not being reimbursed by the club for their expenses, it would be appropriate to offer them some gas money.

Club boats are required to be in operation from 8 am – 5 pm on Saturday and from 7 am to 10 am on Sunday. There will be a one hour break for lunch on Saturday. Brunch on Sunday will be around 10 AM. Boat drivers may operate extended hours, but it is at their discretion.

It is recommended that a **club boat** go out on a ski run with no more than four (4) skiers plus the driver. This requirement will help cycle the skis and skiers and reduce the amount of time a boat is out at one time.

A minimum of one skier and another skier/observer (at least 12 years old) plus the driver are required for any given run.

All skiers shall have a chance to take one ski run before any skier goes out for a second run.

When filling their **club boat**, boat drivers should attempt to give priority to the skiers with the least number of runs for that day.

Each time a **club boat** goes out, each skier will be allowed **ONLY ONE RUN**— ski, wake board, trick ski, barefoot OR air-chair. A driver may limit a skier's run to ten (10) minutes. This should allow a boat to return to the beach to pick up another load of skiers in approximately 1 hour, 15 minutes. **AGAIN NO DOUBLE RUNS.**

Children 12 and under must wear a coast guard approved life vest at all time while in a boat.

A **club boat** is not required to operate if conditions (wind, rain, lightening. etc.) make skiing unsafe.

It is required that you have fun and to help out when asked.

Dog Owner Responsibilities

We strongly recommend that dogs NOT be brought to the river under any circumstances. The heat of the desert and lack of shade makes for a miserable environment for any animal, including us humans.

However, if you must bring your dog to the river, the following must be adhered to:

1. Dogs must be kept on a leash at all times. There are no exceptions. Needles Marina has a leash law and dogs must be accompanied at all times. **There is a \$5 per day per dog charge to be paid directly to the marina** (subject to change).
2. Dogs will be kept far away from all food, drink coolers, food preparation areas, the boats and the beach area at all times.
3. Dogs are NOT allowed in any boat while pulling for the club at any time.
4. Dogs must be quiet. This doesn't just mean that the owner is to keep the dog quiet — the dog must be quiet so as not to be bothersome to our other guests.
5. Dog owners will clean up after their dog.
6. In the unfortunate event that the dog can't be kept quiet, the offending dog must be removed from the area.
7. Judgment that a dog is being offensive will be made by the trip leader and club officers in attendance.
8. There will be no refunds to dog owners who may have to leave due to an unco-operative dog.
